

Declarations Respecting Grain - Requirement to Make and Provide

This exemption request applies only to elevators and grain handling operations in the Eastern Division.

Elevators or grain handling operations wishing to be exempted under the provisions of this Order must submit, to the Commission, a request for permission containing the following information:

Date of request	Name of the elevator or grain handling operation	
Address of the elevator or grain handling operation		Roll number (if none put N/A)
City		Province
First name		Last name
Telephone		Email

Consent to release of such further or other information as may be requested by the Commission for purposes of review of this.

Please send the completed exemption request application form to: discussions@grainscanada.gc.ca
